Newsletter No.167

Hello to Everyone,

Where to start? This has been the most turbulent Autumn that I can recall, hot- cold- windy- dust storms- fire, plus a few absolute perfect days and evenings. The Autumn breaking rains are still to arrive- and there is time.

As you can see, Dawmac is rapidly approaching 50years in Berrigan, since Mum and Dad relocated their business from 770 Nicholson Street, North Fitzroy. I can still remember some of the move. Dad built a large trailer specially for the task of moving both MJ & DL Lane's workshop and the house contents.

I can recall several trips done at night, where dad and myself would leave Melbourne around 6pm to travel the 5 hours to Berrigan — arriving around 11pm, unpacking and heading back to Melbourne at 2 or 3 in the morning. Dad used the Dodge tow truck to pull the heavily laden trailer, plus we carried extra petrol in drums for the journey. I can remember being in Seymour with daylight just breaking— pulled up at a road house for a break and some food. Boy was it cold—Seymour is like Ballarat—Freezing in Winter. Why would we carry fuel? Because we had a fuel bowser at the North Fitzroy shop.

The NAB—What can I say? How we react is important. We need to remember that the people that we deal with are not the decision makers— please do not take any frustration out on them. We have formed a 10 person sub-committee, that 10 charged with the task to look into both the financial needs of the Berrigan Community and what options we have from financial service providers in upgrading representation in Berrigan.

All for now.

Cheers and good health

John P Lane

FOR SALE

Toro Turfmaster Industrial 30inch twin blade self propelled mower fitted with a Kawasaki commercial engine. This machine is near new, 8months old, but didn't suit the small area that the owner was mowing.

This unit would suit a client with large open area who does not want the expense of a ride on and likes to have some exercise by walking.

\$1,495 inc. GST

For more information please contact Grant 03 58852382
