Farewell to Shannon Sandral

Dawmac has said goodbye to long term staff member, Shannon Sandral.

Shannon started with us back in 2016 in a casual position, moved into full time employment, then married Patrick Sandral and welcomed their beautiful son Lachlan to the world. Shannon returned after maternity leave on a part time basis and has now moved onto a full time position at McNaughts in Finley.

Shannon is best known for her work on the annual Dawmac Calendar where she had creative control and was behind most of the spectacular photos for each month. We wish Shannon all the best in her new employment and for her future

Newsletter No. 202

Hello to everyone,

How quickly our world has changed. In a matter of weeks the way we travel, shop, relax and communicate has perhaps changed forever. Now is the time for Australia to be a united Nation, standing behind our Government. At DAWMAC, both Berrigan and Finley, it is business as close to normal while observing social distancing, using care and common sense. Just as the virus has changed the planet a little rain has bought much hope and plenty of promise for the region.

At the least, this year, 2020, will be a very interesting journey. We are starting to see increasing impacts on our supply chain caused by COVID-19, increased delivery times with freight and an increasing list of products on backorder. We now have zero company representatives visiting, making information transfer much more challenging.

Rest assured, we are working to our best ability to deliver products and service with informed and accurate information.

DAWMAC welcomes to our front counter Karen Rowland. She is keen to be a good asset, providing much needed support to Lyn and myself. Please introduce yourself to Karen next time you phone or visit.

Lets be innovative and make the best of our current situation.

Until next newsletter- live, breathe, be mindful.

Cheers and Good Health—John P Lane (Managing Director)
